SUMMARY

I am a highly motivated IT undergraduate student at the Informatics Institute of Technology, with a strong foundation in different programming languages, improved through various projects. I am a learner who enjoys challenges and has a passion for continuous learning and growth. I am currently seeking a job opportunity where I can apply my knowledge to real-world problems, contribute effectively to a software development team, and further expand my technical and professional skill set.

WORK EXPERIENCE

ICT Tutor

January 2023 – Present

- Conduct ICT lessons for Grade 6–11 students in Sinhala and English medium.
- Prepare lesson materials, assignments, and practical exercises for students.
- Manage both individual and group classes.
